

UKOG INTERIM INJUNCTION PROCEEDINGS

As reported in December 2019, the final hearing of the interim injunction orders obtained by UKOG group companies against “Persons Unknown” in November 2018 is scheduled to take place in London between 1 December 2020 and 31 January 2021. The interim injunction orders remain in place until trial, or further order.

UKOG has now agreed, voluntarily, to vary the scope of the 2018 interim injunction to the same extent as the final order it will be seeking at trial, namely to restrain trespass to land, obstructing the entrance to the sites, blocking the public highway, slow walking, standing in front of vehicles, climbing onto vehicles or trailers or attaching themselves to the claimants’ equipment. References to what is commonly known as “unlawful means conspiracy” are being removed.

This is consistent with UKOG policy that does and never has sought to prevent lawful, peaceful protest.
